Fire Department Annexation Gets Boosts By Boards

Directors of the Truckee Fire Protection District Tuesday night adopted a resolution calling for the annexation of the Donner Lake Volunteer Fire Department with the local district and set May 25 at 10 a. m. in the Truckee Fire station as the date and place for a public hearing on the proposed annexation.

County Counsel Leo Todd was here to meet with the board and outline the procedure necessary to finalize the annexation. Todd has been active in the project since the plan was suggested to unite the two departments.

The Nevada County Local Agency Formation Commission Monday adopted a resolution paving the way for the action of the local commission by approving the proposal. Todd said there were no protestants and indications are that the annexation has wide support from both the Truckee and Donner residents.

The Truckee commission has been designated as the conducting district and the directors were requested to initiate proceedings in compliance with the resolution by the formation commission.

Within the next 30 days, the local board will officially call the public hearing for May 25. At that hearing anyone may appear and be heard either for or against the annexation or may submit a protest in writing. If more than 50 per cent of the assessed value of the property to be annexed is entered in protest, an election may be called.

Not later than 30 days after the hearing, the local board will do one of three things: either order disapproval of the proposal, order the annexation without an election or call for an election.

Members of the local board are N. F Dolley, Walter Loynd and Elden Tonini.

Todd said he would continue to work with the board until the conclusion of the project to bring about a unified department for the protection of the area with equalized benefits and costs.

Teenagers Give Aid To Briner Campaign

TAHOE CITY—An "A Go-Go" for "Bill" Briner for senator was staged April 6 at Alpine Meadows. The sponsors were a group of enthusiastic north Lake Tahoe teenagers, headed by Judy Birmingham, Butch Butler and Ken Silva. A talented local band, The Creators, provided music for about 250 young people.

The candidate was in attendance and congratulated the teenagers for setting a creditable example of mature and intelligent conduct.

The "Bill" Briner for Senator Committee has scheduled a dinner-dance in Supervisor Briner's honor, April 17th, at the Olympic Village Hotel, Squaw Valley. The cocktail hour will begin at 6 p. m. with dinner at 7:30 p. m. Music will be provided by Tom Bordenave Band. Tickets are obtainable from Mrs. Joseph Joynt, Box 299, Tahoe City.

WOMAN KILLED AS CAR GOES OFF ROAD

Mrs. Marie Martha Allison, 70, San Bruno, was killed Sunday morning when a car driven by her husband, Paul, skidded on the pavement at the intersection of Interstate 80 and Highway 20 and plunged down a bank. Mrs. Allison was thrown from the vehicle.

Allison was taken to the Tahoe Forest Hospital for treatment of injuries suffered in the accident.

Mrs. Fred Haswell was feted by her family on her April 1 birthdate.

Judges Are Named To Select Teacher In Jaycee Contest

A panel of competent judges for the Donner Area Jaycees outstanding young educator program was announced today by Ron Mucha, chairman of the project for the local Jaycees.

They are: Fred Hodder, president of the local Jaycee chapter, Rev. Frank Evans, of Squaw Valley, Dr. Edmund Wilkins, physician in Truckee, Jack Felte, Brockway, Dave McBride, Tahoe City.

Nomination forms including information of five local teachers between the ages of 21 to 35 will be furnished judges this weekend, according to Mucha.

Winner of the competition, designed to foster better community understanding of the teaching profession, will be honored at a banquet at a later date.

Scholarship awards of $200 will be presented to the local winner.

The OYE program, co-sponsored nationally by World Book Encyclopedia and the United States Jaycees, will climax with a program at Baton Rouge, La., July 10-12, where four of the nation's top young educators will be named. Each of these winners will not only receive a fitting trophy, but a $2,000 scholarship to be used for continuing his or her education.

Sugar Bowl Plans For New Facilities

SUGAR BOWL—Plans for new construction in Sugar Bowl to start within a few weeks were announced by Manager Don Schwartz.

The project will include installation of a new double chair lift designed to transport 1,000 skiers an hour to the top of Immigrant Meadows Mountain. The lift will be located on a southeast slope, 200 yards from the present midway station of the Mt. Lincoln chaif lift.

The length will be 1,600 feet with a vertical rise of 600 feet, bringing the top elevation to 7,655 feet above sea level.

This lift will open an area for all skiing abilities next winter.

The area to be developed has a gentle rise and is well protected from the cold east winds. A sundeck will be included at the top to offer food and beverage services. It will offer a complete view of Mt. Lincoln and Mt. Disney.

Total cost is just under $250,000.

TRUCKEE PTA MEET IS SET FOR MONDAY

Truckee Elementary PTA will hold its regular monthly meeting next Monday night, April 18th, at 7:30 p. m. in the school's all-purpose room. Installation of next year's officers will be held.

Airline May Place Local Airport On Regular Schedule

A meeting of importance to this entire area will be held April 21 at noon at Sierra Tahoe Hotel, Incline Village, when officials of the Sierra Pacific Airlines of Menlo Park will meet to discuss the possibility of establishing a scheduled airline flight to the Truckee Tahoe Airport.

Andrew Creglow, manager of the local airport, said everyone interested in this proposal is invited to the luncheon meeting and urged a good representation from this community as well as from North Tahoe.

The airline now serves many communities, including South Tahoe and Reno and it is quite possible, Creglow said, that Truckee can be included in the scheduled flights.

Building Contract Awarded To Otto

The state department of general services this week announced that a $235,900 contract has been awarded John F. Otto, Inc., of Sacramento for construction of a combined department of motor vehicles and California Highway Patrol office at the intersection of old Highwway 40 and State Highway 89 in Truckee.

The building, which includes an enclosed vehicle inspection area, a car wash area and an attached eight-stall garage will be of concrete and wood frame construction.

Grading, paving, parking for 42 cars and installation of utilities and a sprinkler irrigation system are included in the work.

Horsemen To Hold First Meet May 2

A meeting of the Truckee-Donner Horsemen's Association will be held Monday, May 2 at 8 p. m. in the Truckee fire station, President Frank Snyder announced. Everyone interested in the program is urged to attend.

There will be reports of the past year's activities and a discussion of proposed plans for this year. This will be the first 1966 meeting and a number of important matters are scheduled on the agenda.

Top Skiers Signed For Silver Belt At Sugar Bowl Sat.

SUGAR BOWL—Entrants this year for the Buddy Werner memorial slalom on Saturday, April 16, and the Silver Belt giant slalom on Sunday, April 17, will include top United States team racers, Jim Heuga, Reble Ryan, Vickie Jones, Brian Degan, Dennis McCoy.

The Canadian National team will be represented by Nancy Greene, Peter Duncan and Rod Hebron.

Following a tradition started at the 1964 Silver Belt, members of the 1966 Junior National team will run along with seasoned racers. This gives these promising youngsters an additional crack at international type competition. Lance Poulsen, Greg Schwartz, Dick Nielsen, Patty Kelly, Barney Peet and Penny McCoy are eager competitors.

Senior entries include Oswaldo Ancinas of Alpine Meadows, Norm Sayler of Donner Ski Ranch, Peter Picard, Edouard Thys and Jerry Weirick of Sugar Bowl, Bob Autry of China Peak and Kick Dorworth of Heavenly Valley.

On Saturday, after the Buddy Werner memorial, there will be the traditional baseball game on skis. This year Carson White will be in full charge. And on Sunday, following the Silver Belt, the kangaroo jump sponsored by Warren Miller will take place.

All this makes for a good Silver Belt weekend and a perfect end to a great season. Sugar Bowl will, however, operate on weekends only through to May 1, 1966.

Moisture Is Over Normal At Huysink

An average of 91.0 inches of snow and 42.0 inches of water content was recorded on the Huysink snow course by foresters Ted French and Charles McFadin of the Big Bend ranger station, Tahoe National Forest the latter part of March.

At the same time last year there was an average of 98.2 inches of snow and 58.7 inches of water content on this snow course which feeds the north fork of the American river.

The Big Bend district ranger, Dick Austin,reported that this is a little above normal this time of year on the Huysink snow course. Only three times during the past 10 years has the actual water content been higher.

One more snow survey will be made this spring to determine the amount of water in the snow pack on the 6,000 foot elevation in Huysink course. These surveys are made in cooperation with the California department of water resources. From the surveys the department publishes information of benefit to water users within the state.

Begovich Wants All Reports Of Mishaps

Senator John C. Begovich, democratic candidate of the new 3rd senatorial district, today requested the state highway patrol to send copies of highway accident reports that occur in Modoc, Lassen, Plumas, Sierra, Nevada, Placer, El Dorado, Amador, Alpine, Calaveras, Tuolumne and Stanislaus counties to his office each week.

"It is my intention," Begovich stated, "to accelerate remedial action by the division of highways when it is evident tha an inordinate number of accidents are taking place in particular areas of my district.

"I am disatisfied with the amount of time it takes for the division of highways to correct dangerous segments of our hyghway system. If better lighting, warning devices, signs or realignment is necessary to make our roads less hazardous, then these measures must be expedited as rapidly as possible."

Many Cases Are Heard In Court

Jim William Hulsey, 46, Broderick, placed under $496 bail for drunk driving.

Orville Lee Willis, 38, Union City, fined $386 for drunk driving.

Bartin Joseph Long, 29, Hyde Park, N. Y., pleaded not guilty and asked for jury trial on drunk driving charge. Bail set at $552.

Sam W. McCutchen, 42, Whittier, fined $386 on drunk driving charge.

Anthony Videror, 23, Truckee, five days in jail for disorderly conduct suspended.

Joseph D. Wilson, 45, Sacramento, 15 days in jail for disorderly conduct.

Ralph Daniels, Truckee, fined $55 and 30 days suspended sentence for disorderly conduct.

John A. Morgan, 53, Squaw Valley, 180 days in jail for disorderly conduct.

Board Explains New Policy at Hospital

The Nevada County Hospital, now the Nevada General Hospital, is open to the public.

It is not the intent of the board of supervisors, to enlarge the hospital, to make it more elaborate, but it is to keep all maintenance at a level to provide proper service. All expenditures that will be made will be on necessasry equipment.

All medically necessary items will be taken care of, until such time as there are enough beds available in the county where they are needed, if that time ever arrives.

It is the intent to keep the hospital open, and the board does not intend to close the hospital the 1st of July. The hospital will be kept running on a proper medical basis

Low Bid Received For Highway Work

A low bid of $22,703 was received April 6 by the state division of highways for installation of guard rails at three locations along Interstate 80 in Placer County between Baxter and Emigrant Gap.

Fiberaised Bar & Line Co. of San Rafael was lowest of six bidders, according to officials at the Marysville district office.

Work will get underway in about a month, after contract approval by the attorney general, and will take eight to ten weeks.

The project will provide increased protection for motorists and better roadway delineation on this transcontinental freeway. It is another improvement project in the continuing statewide traffic safety program carried out by the highway division.

Woman Sues After Fall On Stairway

AUBURN—A woman who allegedly fell down a stairway in her leased home at Lake Tahoe has filed a $50,000 personal injury suit against the persons who assertedly built the house and rented it to her.

Plaintiff Bonnie Jean Frisbee filed the action against George Kopka, identified as a contractor, and Raymond Kettenhofen, who reportedly handled the leasing.

Mrs. Frisbee said the accident occurred last January 22.

Her husband, Robert Frisbee, is seeking $5,000 damages "for the loss of the services of his wife" during her recuperation.

SHORT JOINS ISSUE OVER SQUAW VALLEY

SACRAMENTO — Still another member of the California state legislature, Senator Alan Short of Stockton, has entered the discussions over the operation of the state's interest in Squaw Vallley.

Categorizing the contracts as "outrageous," he has asked state officials to study the feasibility of buying out the private concessionaires at Squaw Valley.

In a senate resolution, the solon suggests the study be done by the department of parks and recreation and the department of finance.

The Stockton Democrat said the state was repairing buildings and other facilities in the state park for the benefit of the two concessionaires "without adequate returns."

The resolution, SR 77, contemplates possible expansion of the state's interest in the area. It states there is a great need for considering the various and divided property interests in the recreation area.

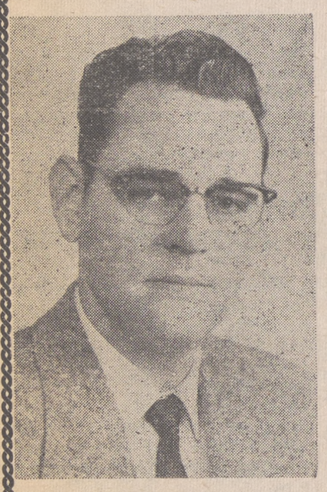
SIX GRAND JURIES HAVE COMMENDED THE WORK OF

John T. Trauner

Following are comments made in the annual reports by the Nevada County Grand Juries, indicating the efficient work of your Auditor-Controller:

1957 GRAND JURY REPORT
"We feel the Auditors office is being operated efficiently, especially since a bookkeeping machine has been installed in the Auditors office."

1958 GRAND JURY REPORT
"It is with a great deal of pleasure that we are able to report that the County Auditor gives every evidence of continuing forward looking studies and improvements in administrative and operating procedures."



1959 GRAND JURY REPORT
"This committee has undertaken a study of the scope of this office (Auditor) and finds that efforts put forth in altering and improving the accounting methods of this office and their relationship to County Government are in accord with best accounting principles. This committee finds the office functioning smoothly and efficiently."

1960 GRAND JURY REPORT
"Mr. Trauner has effected many improvements in methods and procedures in his own department which have resulted in greater efficiency and full utilization of personnel and equipment."

1963 GRAND JURY REPORT
"This department (County Auditor) is well organized and is functioning in a highly efficient manner."

1965 GRAND JURY REPORT
"From all appearances this office (Auditor) was found to be conducted very efficiently and economically. The personnel seemed adequate to maintain the standard of competence the office has attained."

Sierra Skiing . . .

By VI WHITE

Snow fell and caught many a skier in spring attire Saturday. Heavy winter parkas and fur hats quickly replaced cut-off pants and straw hats.

Egg hunts,hat parades,fun races and mountain top Easter services went off on schedule however.

Surprisingly enough, the mogul depressions were filled in by the fresh snow and skiing on Easter Sunday was great, but visibility was poor.

Unfortunately though many people were caught without chains to travel over the summit and a huge traffic jam resulted. The rental business was booming!

* * *

Easter Sunday marked the closing of several ski areas until next season, they are: Yosemite, Dodge Ridge, Mt. Rose, Slide Mt., and Heavenly Valley.

Operating weekends only are: Boreal Ridge, Homewood, Tahoe Ski Bowl and Soda Springs.

Alpine Meadows, Squaw Valley and Sugar Bowl plan to keep operating daily for a couple of more weeks.

* * *

Boreal Ridge has had some busy mid-week business all season and kept Wednesday and Thursday as Ladies Day. Last week, their first Easter fashion show was presented. Benson's Sporting Goods Shop in Berkeley had ski clothes to show, while Jacqueline de Bray, noted San Francisco designer had spring and summer in mind and featured bikini swim suits, cotton dresses and crochet ensembles that brought smiles and approval by the men folk who attended.

Modeling the lovely outfits were: Barbara Rhodes, Lelaini Ross, Terry Ellis and Alice Wilson.

Janet Price, Manager Jay's daughter, was dressed up in a cute bunny outfit and distributed the programs.

* * *

Only a few seconds difference determined the winners of the employees race Sunday at Alpine Meadows. The race was held in the far left side of Alpine Bowl off of No. 1 lift way up in the clouds and the ski patrol members proved that they could see the course better than their rivals, the ski instructors.

Helping to chalk up the winning time of 17 minutes, 20 seconds and 4 tenths were patrol members: Richard Porter, Jon Eickman, Ron Calhoun, Buz Mandeville, Hilda Mulazzi, John Poohachoff, Paul Steinhauser and Jack Shorkey.

The losers with 17:53.5 were: instructors, Hans Muhlgraber, Werner Schuster, Sylvia Beasley, Dean Cannon, Tom Adams, Connor Jameson, Jerry Hanson and Gunther Hohlweg.

Oswaldo and Eddy Ancinas hosted an Argenine Asado (barbecue) at their lovely home Saturday night for Alpine Meadows employees.

The drippy weather forced a makeshift plastic covering to be made outside to protect the rack of lamb that was cooking beside the open fire. Needless to say the meat was done to perfection and enjoyed inside with salads, bread and wine!

Later in the evening Oswaldo entertained with his guitar for all the various folkdances.

* * *

This weekend marks the biggest event that Sugar Bowl has each year, the Silver Belt race.

A special Buddy Werner slalom is scheduled for Saturday. The traditional baseball game on skis will be played later that afternoon between some of the ski writers and racers. Chairman Carson White needs more volunteers!

Sunday's giant slalom will be followed by the famous kangaroo jump up on Mt. Lincoln.

Many of the top racers have been asked to participate in these last big races of the season.

Special rates can be bought at the Magic Carpet terminal for $6 that included an all-day lift ticket and round trip from the highway.

BRIGHT IDEAS

FOR BEDROOM LIGHTING

Restful lighting is the first requirement for sleeping quarters. The ceiling cove above bed contains two 40-watt fluorescent tubes for soft indirect lighting. An illuminated niche above headboard supplies excellent light for reading in bed.

For a child's bedroom a corner treatment of lighted niches with wooden panels highlight toys and collections. Single 20-watt fluorescent fixtures are mounted inside wall and covered with easily removable glass panels.

In a small bedroom-study, valance and bookcase lighting provides "den" atmosphere for a teenager. Sylvania's fluorescent lamps provide ideal illumination for doing homework or reading.

Arthur Wood Seeks Gambling License at Sierra Tahoe Casino

CARSON CITY— Last week, Arthur L. Wood, president of the Crystal Bay Development Company, applied to the Nevada gaming commission to invest $150,000 and to assume control of gambling at the Sierra Tahoe Hotel casino on the northeast shore of Lake Tahoe.

The hotel will continue to be owned by Cal Kovens of Miami Beach, Fla., and operated by his brother-in-law, Alvin B. Kroll.

The gaming license of the casino has lapsed and the earliest possible action on Wood's application will be April 19. He was licensed for gambling at the Cal-Neva Lodge at Crystal Bay in the summer of 1964.

Wood would operate ten table games and 54 slot machines in the club, which would be renamed the Incline Village Casino. The applicant is buying the restaurant and casino, which is on the lake front, but not the hotel, which is located across the street.

FEWER SKI THEFTS REPORTED IN AREA

AUBURN—Sheriff William A. Scott reported today ski thefts in the Sierra area of Placer County has declined some $30,000 during the last two seasons.

Scott said the 1864-65 season reported loss was nearly $40,000, but the last season was less than $10,000. He explained through the addition of deputies under the direction of Lt. Max T. Bennett, officer in charge of the Tahoe substation, the theft of skis has been diminished.

He said, however, automobile burglaries in the ski resort areas increased some. Scott said most of the automobile thefts were a result of vehicles being left unlocked.

Supervisors Designate Boreal Ridge Road

The Nevada County board of supervisors has officially adopted the name of "Boreal Ridge Road" for the frontage road, exit from Interstate 80 at Castle Peak.

The board was notified recently that the maintenance and operation fund for upkeep of county roads (the all too small patch and repair fund) had been debited $32,243.22 by the state controller's office.

This is in the nature of a penalty by the state controller, when an audit of the disbursement of Nevada County road funds, (all of which are supplied by the state) revealed that this amount had been expended from the Select System road fund on roads which were not in the Select System. These disbursements were prior to July 1, 1965.

DONNER DOINGS . . .

By Marcella Corro

The weatherman really spoiled the day for everyone to don their Eastern bonnets. A cold storm moved in leaving about six inches of snow in the area. It's nearly gone so we hope to get our warm spring temperature back.

* * *

It was back to the classrooms Monday after a fun week of skiing, fishing and teen-age dances at Squaw Valley and Sugar Bowl. The ski resorts will be closing in several weeks as the snow is slushy and getting dangerous.

* * *

Mrs. Lena Bollock returned from a week in Monterey visiting with friends and relatives. It was like summer there and the spring flowers were beautiful.

* * *

The shuffleboard tournament is in its final week, with the men playing their final game Tuesday and the gals Wednesday. Last week's scores put Georgiana King in first place with 141 points and Jean Scanlon second with 126. The high teams are Anna Mae Higgins and Arlene Smart with 10 wins and 5 losses. The runner-up team for second place is Petti Brown and yours truly with 8 wins and 7 losses. The trophies will be presented Friday eve when Reg and Arlene Smart will host a dinner for all tournament players.

* * *

The largest catch for the past week was a 21½ pound mac landed by Bob Moore from Truckee, Glen Terrio from Reno caught a 19 pounder and Jess Richards from Sacto was happy with his mac weighing in at 9½ pounds. This past weekend was stormy and the lake too rough for boats. A few ventured out but were soon blown off. With the lake rising very fast, the pier fishing should be red hot in another week or so.

RESOLUTION NO. 66-95

BE IT RESOLVED BY THE BOARD OF SUPERVIORS OF THE COUNTY OF NEVADA, AS FOLLOWS,

WHEREAS the Board of Supervisors recognizes the current, great need throughout the United States to assist and guide mentally retarded children, and,

WHEREAS, the Board of Supervisors recognizes that there are numerous citizens throughout the County of Nevada, devoting their time and effort in establishing a program and sheltered workshop to assist the retarded children of Nevada County, and

WHEREAS, the Board of Supervisors desires to call the public attention to the program being carried on by the Council for Retarded Children,

BE IT THEREFORE RESOLVED that the Week of April 17, 1966 will be designated as Nevada County Retarded Childrens Week.

ADOPTED AS A RESOLUTION OF THE BOARD OF SUPERVISORS OF NEVADA COUNTY, at a Regular meeting held on April 1, 1966, by the following vote:

AYES: Supervisors Ricker, Bennallack, Hartman, Blake, Loehr

NOES: Supervisors: None

RESOLUTION NO. 66-96

BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Citizens of Nevada County have long enjoyed a high standard of living. We have reaped the benefits of our industry and enterprise. Through the voluntary investment of our individual savings and business profit we have contributed to our own and to the nation's economic growth, security and freedom.

Now communities in all sections of the country are planning observances to emphasize the importance of each individual's role in building a sound economy—our American Way of Life.

This is not merely a reminder that we should save a portion of our incomes for personal security; it is a call to all Americans to marshal their financial resources as a means of strengthening and preserving the Free World. Once again we are reminded that the individuals' savings, wisely invested, provide the capital for American industry; that each and every one of us, with our savings accounts, our investments in homes, life insurance, local business enterprises, in stocks or in bonds, is participating broadly in and benefiting Nevada County's growth and prosperity, as well as that of California and our entire nation.

Accordingly, we proclaim April 25-May 1 as Invest-in-America Week throughout Nevada County and urge all our citizens to re-emphasize the importance of personal savings and investment in various economic endeavors so that the citizens of Nevada County, here in the State of California and the nation as a whole may continue to grow and prosper.

ADOPTED AS A RESOLUTION OF THE BOARD OF SUPERVISORS OF NEVADA COUNTY, at a regular meeting held on the 1st day of April, 1966, by the following vote:

AYES: Supervisors: Ricker, Bennallack, Hartman, Blake, Loehr

PRESS CONFERENCES BY GOVERNOR NOT APPROVED BY PRESS

SACRAMENTO — (CNS) — California's state capitol moved a step closer to Washington-type press operations as the first of a scheduled daily press briefing was to be held at 9 a. m.

The plan is that all capitol reporters will gather in the new press conference room for a briefing by Jack Burby, the governor's press secretary. The briefing was supposed to cover such items as what Governor Edmund G. Brown would be doing that day, when news releases might be expected, and minor announcements.

The proposed press briefing plan had been discussed with capitol reporters who generally were not in favor of it. However, the plan was set into motion nevertheless.

The idea reportedly stemmed from Governor Brown and Hale Champion, his director of finance. It is similar, at least in general format, to the press briefings held in the nation's capitol by Bill Meyers, Presidential press secretary.

Reporters in Sacramento feared this might be an attempt to confine their questions to Burby, rather than Governor Brown, as reportedly happens in Washington.

The briefings will be held in the new press conference room, just down the hall from the governor's office, which is set up for newsmen and television conferences. It is used by legislators, candidates for office and others, as well as the governor.

Governor Brown, in his administration, has put less emphasis on press conferences than his two immediate precedessors. Except for vacation periods and occasionally during campaigns, Governor Earl Warren and Goodwin J. Knight held two press conferences in Sacramento each week. Brown has averaged only about two or three Sacramento press conferences per month.

NEVADA COUNTY TO SHARE IN USE TAX

SACRAMENTO — (CNS) — Nevada County's share of highway user taxes distributed during March was $29,304, State Controller Alan Cranston reported today.

For the month, state apportionments totaled $61,082,926, Cranston $9,671,936 went directly to the for expenditures on state highways; $9,671,9366 went directly to the counties; $6,190,039 to the state highway fund for counties and cities, and $4,315,172 to the state highway fund for cities.

Cranston said the amount distributed came from the following sources: gasoline tax, $41,590,933; by transfer from the motor vehicle funds, $15,400,864; diesel fuel tax, $1,721,747; by transfer from the motor vehicle transportation tax fund, $2,294,826; and the balance from miscellaneous sources.

Bate Completes His Boot Camp Training

CAMP PENDLETON, Calif. (FHTNC) — Marine Private First Class William A. Bate, son of Mrs. LaVina R. Bate of Tahoe City, has completed individual combat training here.

The four-week course included 020 hours of instruction under simulated combat conditions, covering squad tactics, guerrilla warfare, day and night combat, patrolling and the use of infantry weapons.

His next stop is four weeks of basic training in his military occupational field. Marines to be assigned to infantry units will be taught infantry sub-specialists, such as the machine gun, grenade launcher, rifle or mortar. Marines to be assigned to highly technical specialties will be sent to military technical schools for their specialist training.

Leathernecks bound for the Pacific will receive more training when they report to the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling and civic action based on experience gained in Viet Nam.

Tahoe Business Man Honored at Capitol

Clarence "Les" Lester, manager of Lakeside Propane Company, was honored at a banquet in Sacramento on March 25.

The Tahoe City company was honored as being the fifth place winner in the F. M. Rowles achievement contest. This is a yearly competition among all of the subsidiaries and affiliates of California Liquid Gas Corporation throughout 14 western and midwestern states.

Lester was presented with a cash award as the manager of the winning "tem." He also received a placque for display in the local office. All of the employees of the company were also given cash awards.

HIGHER PRICES

SACRAMENTO —(CNS)— Senator George Murphy, R.-Calif., reported a public opinion survey has shown that 75.8 per cent of Californians are paying more for vegetables and fruits than they did a year ago and the majority of them blame the higher prices on a shortage of qualified farm workers.

25 YEARS AGO

The following items taken from the Sierra Sun dated April 10, 1941.

The seven directors of the Truckee Chamber of Commerce selected from a slate of eleven are Yell Nobles, E. L. Loynd, C. Edmunds, A. P. Fontana, F. W. Gaiennie, V. C. Shattuck and Walter Barrett. N. F. Dolley, chairman of the cleanup committee, said progress is being made and that in the near future two old, unsightly houses will be removed.

A report by the San Francisco Flycasters Club shows a total of $700 was contributed to raise and plant 100,000 rainbow trout in the Truckee river.

The Southern Pacific's Lake Tahoe tracks were opened by a rotary plow and freight traffic will resume. Passenger service over the line does not start until June.

George Kehlet and his brother, Fred, visited their Meeks Bay Resort which they plan to open for the summer in two weeks.

Mr. and Mrs. C. W. Vernon will open the Tahoe Novelty Shop this week.

Two inches of new snow fell Sunday night to bring the total at Tahoe City to 20 inches. Temperatures for the week varied from 27 to 44 degrees.

Mr. and Mrs. George Waters have received word that their son, Olin, stationed at Fort Douglas, Utah, has been promoted to first class private.

Public assistance payments to Nevada County residents totaled $22,961 during February.

Mrs. Stella Watson spent the weekend at her ranch near Folsom.

Page and Stewart At Nevada Lodge

CRYSTAL BAY—At North Lake Tahoe's Nevada Lodge, the Topaz Room spotlight embraces Page and Stewart—a raucous musical comedy duo which also features the glamorous Sonja Lee. This is the second big week for the popular group to please crowds at North Lake Tahoe's largest year 'round resort hotel casino.

Tommy Page is the head man, and master of ceremonies, backed by his partner, Randy Stewart. They whoop up a fascinating world of songs and instrumentals, punctuated by a dazzling barrage of high humor. Sonja Lee provides a happy contrast to these gentlemen of mirth. Sonja is a beauteous songstress with a captivating voice that keeps Nevada Lodge audiences wide-eyed with enjoyment.

Page and Stewart boast a successful record of engagements at leading niteries throughout the Vegas-Reno-Tahoe circuit, and are a favorite attraction at Nevada Lodge, where they will appear through April 25.

Also on the Topaz Room bill is Jack Grayson Trio, who alternates on stage with Page and Stewart. The trio will remain at the Lodge through April and early May.

Tom and Theresa Sutton moved into their new home at Incline Village this past week, having returned to the North Shore from Walnut Creek where they resided the past two years.

* * *

Larry and Betsy Peluzo and children, Harry, Larry and Robin, of Oakland were guests of Larry's sister and husband, Jerry and Johnny Rayburn at Incline Beach during Easter vacation.

* * *

Ed and Kathleen Roberts and children, Rene and Pierre and twin daughters, Judy and Jill, of Petaluma opened their resort for Easter vacation. Skiing was the main activity of the young people during their vacation.

Kathleen is looking marvelous after recent surgery and making a good recovery, we are happy to report, after visiting with her Sunday.

As Easter vacation was this past week, Bethel took her vacation to spend it with son, Pieter, who otherwise, she thought, would be taking his alone. Therefore, come along with her on a quick excursion since son, Pieter, deserted her for a visit to his brother, Jan, and family at Kings Beach and on to Walnut Creek for further visiting with relatives.

Leaving Reno, missed a reunion with former boss, A. T. Cushman, chairman of the board of Sears, Roebuck & Company, who was on an official visit to Reno from Chicago. However, a phone call and promise of a future meeting had to suffice for the time being.

Relaxed in the sun on the beach at Tahoe Vista with Vivian and Harry McIntire at their atttractive resort where we were made more than comfortable during our visit to Lake Tahoe. Our many thanks for their gracious hospitality.

The McIntiers son, Harry, was home from Sierra College for Easter vacation and daughter, Cathy, was sunning, swimming and bicycling with Bethel's son, Pieter, during his two days stay.

Sunday guests at the McIntires were Judge and Mrs. Robert Roberts of Placerville and Kathleen Robert of Petaluma and Kings Beach.

Tea at the home of Ryland and Flo Goodspeed at Crystal Bay introduced us to their daughter, Emira Sudairy and her son, Ziad and daughters, Sherisah and Magdah Mai, who are visiting from Arabia. A more interesting afternoon cannot be imagined and the Emira's stories of life in Arabia were a combination of the Cinderella legend and Arabian Nights tales.

Then Emira gave Bethel two Arabian garments—an indoor dress and the veiled obiah—and her permission for Bethel to model the garments at the annual fashion show of the Women's Club of North Tahooe.

State Will Contract For Stampede Use

Representative Harold T. (Bizz) Johnson has been advised by Floyd E. Dominy, commissioner for the federal bureau of reclamation, that his agency is proceeding on the basis that "the state of California will act as a master contractor on behalf of the four counties in California which will participate in the benefits from the Stampede Division of the Washoe Project. We have received a copy of resolution from the El Dorado County Water Agency formalizing its request for such a plan and we understand, although we have not been formally notified, that the counties of Placer, Sierra and Nevada also approve this arrangement."

This comment was in response to an earlier inquiry by the local congressman into the status of marketing contract negotiations involving Washoe project waters.

Dominy commented that the bureau's staff at Sacramento is now working on a suggested draft of a contract. As soon as this is completed, another meeting with the state is contemplated.

He went on, "The principal matters with which our negotiations will be concerned, as we envision them at this time, will involve repayment for California's portion of Stampede benefits; the amount of the municipal and industrial revenue subsidy to irrigation users in Alpine County, and the operation of Stampede Dam and Reservoir and the coordinated operation of the complex Tahoe-Truckee river and reservoir system.

Meanwhile, the California senate at Sacramento late last week passed and sent to the assembly a bill authorizing the state water resources department to purchase water from the federal government's Washoe Project and resell it to local water agencies in the Lake Tahoe area.

This measure was authored by Sen. Stephen Teale, West Point Democrat, as part of a legislative package to reduce the threat of sewage contamination at Lake Tahoe.

At the time Columbus discovered America, buffalo of the type that inhabited the Great Plains also roamed southern California.

COUNTY HOSPITAL UNDER NEW NAME

NEVADA CITY—The 114-year-old Nevada County Hospital Friday became the Nevada General Hospital under edict by the county board of supervisors.

The supervisors voted unanimously to change the designation as result of medicare and federal and state medical grants.

County Counsel Leo Todd was instructed to submit a transfer resolution April 14.

Supervisor Bret Bennallack warned that the board is committed to a program of conducting an institution which meets all standards and in which all doctors may enjoy equal privileges.

Administrator Harry De Chene told the board much of the hospital equipment must be brought up to standard in order to continue as a county or general hospital.

The board also voted to take part in a home care aid program under which patients, now served by nursing services in the urban or nearby reas, are served.

The change would require hiring two registered nurses and a clerk.

SUN ADS GET RESULTS

Young Men Needed For Highway Potrol

Young men who want to become California highway patrolmen have only until midnight Friday, April 15, to file their appplications.

This was the word today from Lt. O. P. Ledford, officer-in-charge of the patrols Truckee substation, who added:

"The civil service examination for state traffic officer will be held on May 14, but only those men who have filed their applications before the cut-off date of April 15 will be eligible to take it."

Lt. Ledford said interested men must be 21 to 31 years of age, high school graduates or the equivalent, and in good health with no disabling physical defects. The minimum height is 5 feet 9 inches and the maximum is 6 feet 6 inches. Applicants must also have lived in California for at least one year immediately prior to taking the examination.

"Application forms may be obtained at the patrol office at Truckee substation," he said.

Today Is Last To Register To Vote

SACRAMENTO — (CNS) —Governor Edmund G. Brown today reminded voters of California that today, April 14, midnight, is the deadline for registering to vote at the June 7 primary election.

Voters who must register or reregister include those who have moved since they last registered; those who have turned or will turn 21 before the election; those who failed to vote in November, 1964; new citizens, and those who have changed their names as by marriage.

Lunardi Pleased With Aid To Lake

Senator Paul J. Lunardi (D-7th District) praised progress in the state's efforts to prevent spoiling of Lake Tahoe but declared additional action will be necessary soon.

He said that financing of projects to meet the sewage disposal needs of South Lake Tahoe has been resolved, the next step must be resolution of North Lake Tahoe problems.

Senator Lunardi urged state agency heads to work rapidly with North Lake Tahoe communities in developing a comprehensive plan and means of financing it through combined local, state and federal action.

The South Lake Tahoe project is a major step forward in solving the Lake Tahoe pollution problem, but would be meaningless without a parallel project at the north end. Both Tahoe City and North Lake Tahoe also have tremendous growth potentials and must plan now for the export of sewage emanating from this portion of the basin.

The Tahoe City and North Tahoe Public Utility Districts have recently been very active in pursuing this problem, and have developed a joint project which will go a long way to provide for the exportation of sewage from the North Tahoe region. However, because of the tremendous costs involved in this exportation program, the districts are unable to finance the work within their own capabilities and are asking for state and federal aid.

It is estimated that approximately three million dollars in state loans and grants will be necessary over and above the 1.4 million dollars which would be provided by the local districts in order to achieve this objective.

Hearing Set At Lake For Water Company

The California Public Utilities Commission has set the opening public hearing in the matter of application of Anders A. Nyquist and Nellie E. Nyquist, of the Timberland Water Service, Tahoe City, for a certificate of public convenience and necessity to construct and operate a public utility water system within a subdivided tract called Timberland Subdivision, Lake Tahoe, and to increase and establish rates for the service to be rendered.

Examiner John Gregory will preside at the hearing which will be held Thursday, April 21 at 10 a. m. in the Tahoe Community Center, Tahoe City, California.

At this time and place all interested parties may appear and be heard. A copy of the application is available for public inspection during business hours at either the company's local office or the office of the public utility commission in San Francisco.

Roseville Councilman Begins Campaign For Placer County Office

John Krpan, Roseville city councilman, announced his candidacy for Placer County recorder at a gathering of friends and supporters last week.

Courtesy, efficiency and vitality will be the major planks in his campaign. Krpan stated, "While the recent assessors scandals did not involve Placer County, they have seriously shaken public confidence in county government. It is therefore incumbent upon every county office holder and employee to spend long hard hours rekindling the voters' confidence in the ability of local government to handle local problems."

Councilman Krpan promises a vigorous campaign in which he intends "to meet the voter, seek out his opinions and to represent him, if elected, in county government."

HELL'S ANGELS PLAN FOR INCORPORATION

SACRAMENTO — (CNS) — The Hell's Angel's Motorcycle Club has filed articles of incorporation with Sacretary of State Frank M. Jordan, stating the organization's purpose is to engage in "promotion and advancement of motorcycle driving, motorcycle clubs, motorcycle highway safety and all phases of motorcycles and motorcycle driving.

The club stated it would issue 50 shares of stock at $10 a share and listed its directors as Jeremiah Casselman, Robert C. Wreisner and Robert E. Lowenstein, Jr., all of 9145 Sunset Boulevard, Los Angeles.

The announcement from Jordan's office noted it handled articles of incorporation for any group whose papers indicated its purposes were legal and proper.

BERLINER IS NAMED TO HEAD DA GROUP IN NORTHERN ZONE

NEVADA CITY—Dist. Atty. Harold A. Berliner will head the California North Zone Association of District Attorneys for the coming year, succeeding John M. Price of Sacramento County.

Berliner's election followed an all-day meeting of county prosecutors and peace officers from the area from Mariposa County on the south to Sisklyou on the north.

The meeting was called by Atty. Gen. Thomas C. Lynch.

Lynch lauded Berliner for his record of 90 per cent of convictions, whereas the state average is about 85 per cent.

Berliner and Sheriff Wayne Brown shared the duties of host to the visitors.

During the meetings officials discussed pornokraphy, gun and sidearm regulations and other law enforcement factors. In his keynote speech, Lynch said his department is prepared to assist counties but not to interfere.

MORE COMPACT TALK IN RENO APRIL 21-22

Continuing discussions on the proposed California-Nevada water compact will be held April 21-22 in Reno. The meeting is tentatively set for the chambers of the Washoe County commission in the court house.

Various civic, official and commercial organizations in the Tahoe Sierra region of California and in western Nevada have been invited by the compact commission to present their views. The compact will provide for the distribution of water from Lake Tahoe and the Truckee, Carson and Walker rivers.

DELINQUENT TAX LIST SHOWS TAHOE LANDS

RENO—The deliquent tax list for Washoe County for 1964-65 was published in Reno on Monday, April 11. Property owners in the north eastern section of Lake Tahoe effected were listed on approximately two newspaper pages of the Nevada State Journal.

C. W. Malone, treasurer and tax receiver for Washoe County, thus served notice to those listed that, unless the back taxes and fees are paid before April 25 a certificate will be issued authorizing him to hold the property in trust for two years. After that, the property may be subject to forfeiture and sale.

SAFETY ROAD RESTS ON INTERSTATE 80

Since the first of the year, eight additional safety roadside rests have been completed by the division of highways. Twelve more are under construction and 48 planned in the current fiscal year's budget.

Two of the completed rests are on Donner Summit and two others are being erected near Gold Run on Interstate 80.

Harold Drummond Weds Nebraska Girl At Eastern Rites

Mr. and Mrs. Harold Drummond and son, Jim, have returned home after attending the wedding of their son, Harold W. Drummond, Jr., to Miss Jacqueline Kay Zangger in North Loup, Nebraska, last Thursday. J. C. Roberson of Truckee, student at Pocatello, Idaho, accompanied the Drummonds on the trip and served as best man at the double ring ceremony.

The bride is a daughter of Mr. and Mrs. Charles B. Zangger of North Loup and attended Hastings College.

The ceremony was performed in the North Loup Methodist Church by Rev. Charles Flickinger of the Scotia-North Loup Parish and Rev. F. E. Udlock of Hastings.

Maid of honor was Mrs. Keith Burson of Ord, the flower girl, Christianna Warner and the ring bearer was Joel Warner, niece and nephew of the bride. Ushers were Jim Drummond, brother of the bridegroom and Chuck Zangger, brother of the bride.

The bride wore a floor-length modified A linegown of satin faced peau de soie and reembroidered alencon lace, fashioned with a fitted lace empire bodice, bateau neckline, seed pearl trim and the traditional long sleeves. The elbow length bouffant French illusion veil was held by a cluster crown of peau de soie petals outlined with seeds of pearl and aurora borealis crystals.

A reception was held in the church parlor with Mrs. Allan Warner, an aunt of the bride, and Mrs. Charles Jenkins, aunt of the bridegroom, presiding at the reception table.

Following the reception, the young couple left for Arcata, California, where Drummond is attending Humboldt State College, majoring in forestry.

STEPHEN HISEL HAS COMPLETED TRAINING

SAN DIEGO—Seaman Recruit Stephen L. Hisel, USN, son of Mrs. Kathyleen Hisel of Truckee, is undergoing seven weeks of basic training at the naval training center here.
